William Casey
CIA Headquarters

Sir:

As you may have found out from one source or another I'm not a great admirer of the organization you lead. Whether in England, Russia, Germany or Spain or Iran or Chile, spy organizations of a particular kind do not to put it mildly impress me.

I wish to inform you just personally that I intend to sue you in yer official capacity as director of CIA. I figure its the only way to get any kind of justice for the way such a precious chunk of my life has been snatched from me. I realize yer reign did not begin until 1978, however, a regime is a regimen is a regiment & the battle is on.

I'm glad St John's yer alma mater lost to Villanova & I recommend for your leisure pleasure (since I don't really feel you are vicious (am I wrong?) two or three works by fine "Iay" Catholics "The last Hurrah", "Managing Mailer" & part of the Albany trilogy about a guy down & out on his luck!

May the devil take you or yer boss,

Up the Republic!

He lacks every bit of their substance & so
